About

Mobile App products for Museums, Galleries, Zoo, Attractions etc.

Custom website, software development and system integrations

Contract & Direct hire services for IT and non-IT professionals.

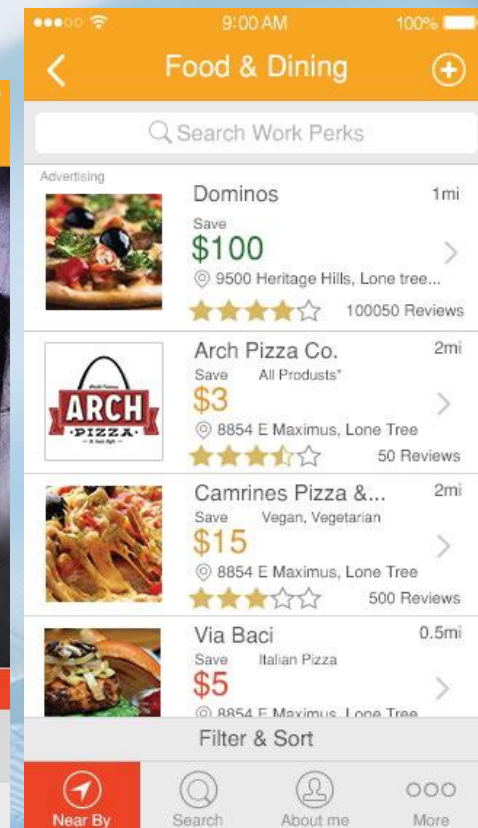

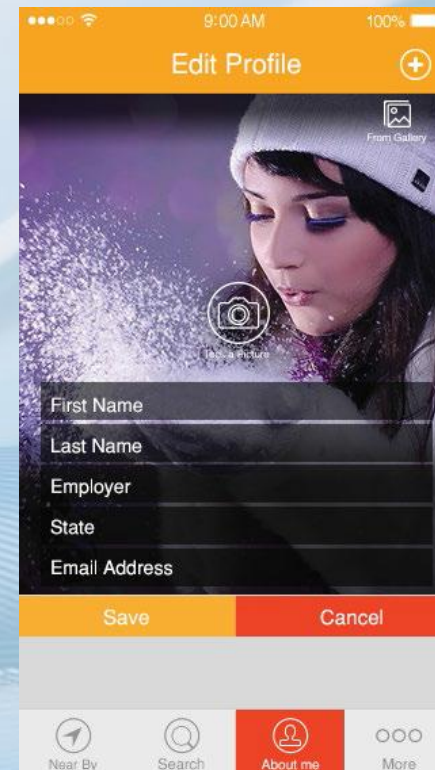

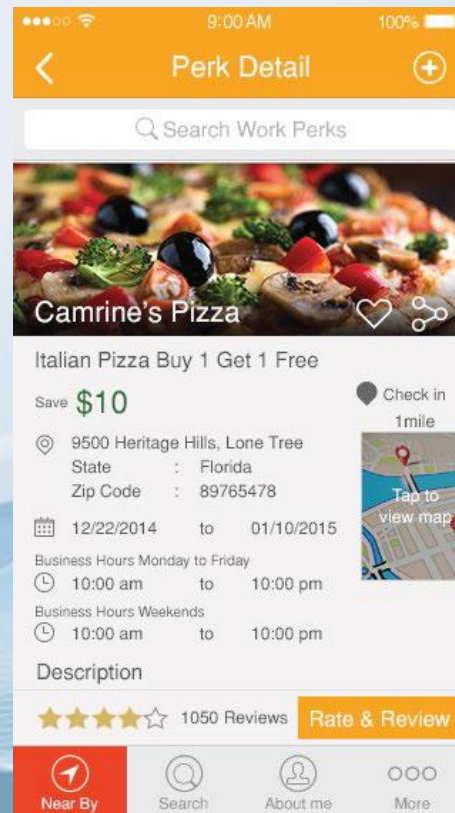

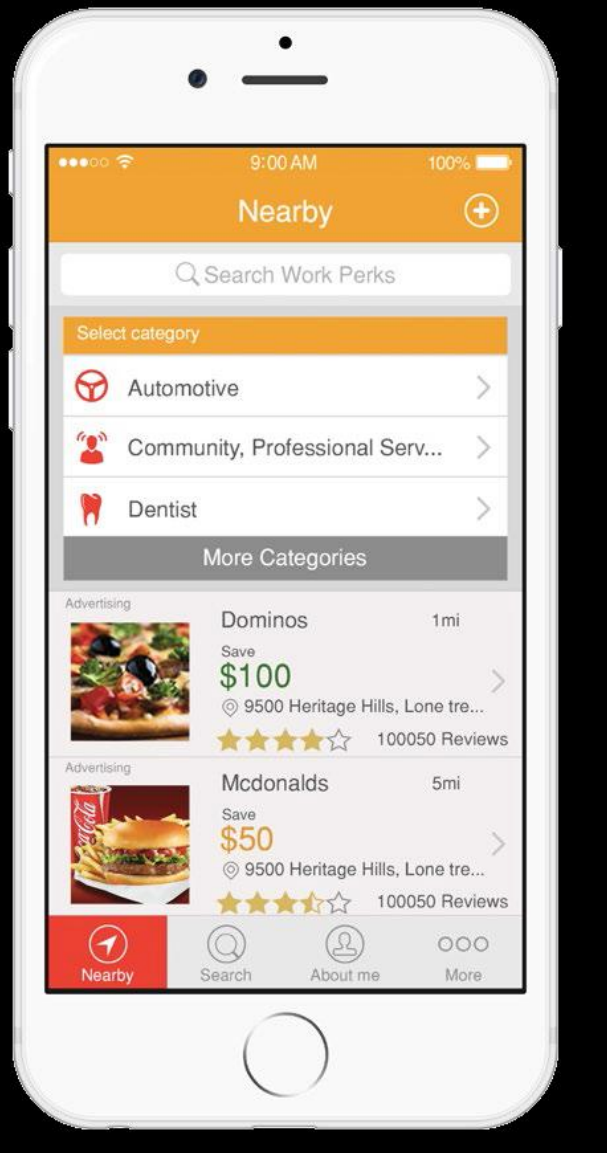

Compliance software and services to federal civilian agencies in US.

- Founded in 2001.
- Headquartered in Dulles VA in Washington DC metro area.
- 200+ employees in two locations.
- GSA Schedule 70 for IT services.
- Developer Partner with Oracle, Apple, Google.

Work Perks App

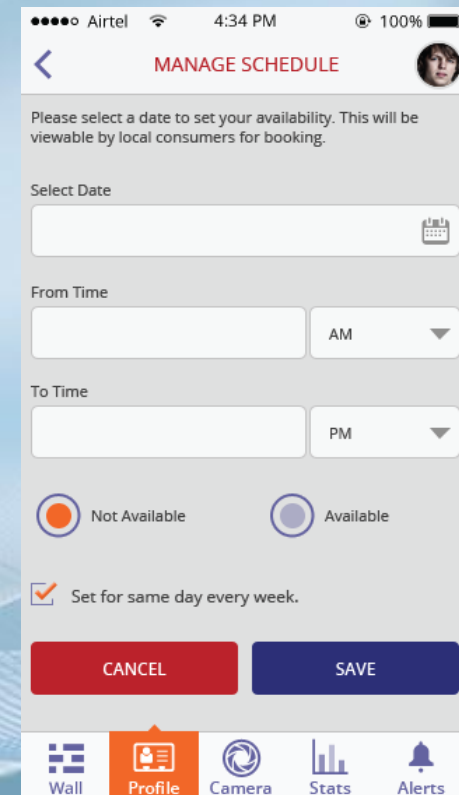

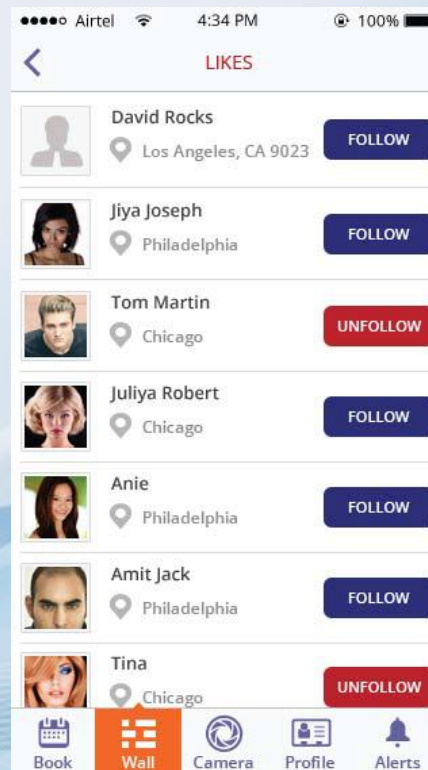

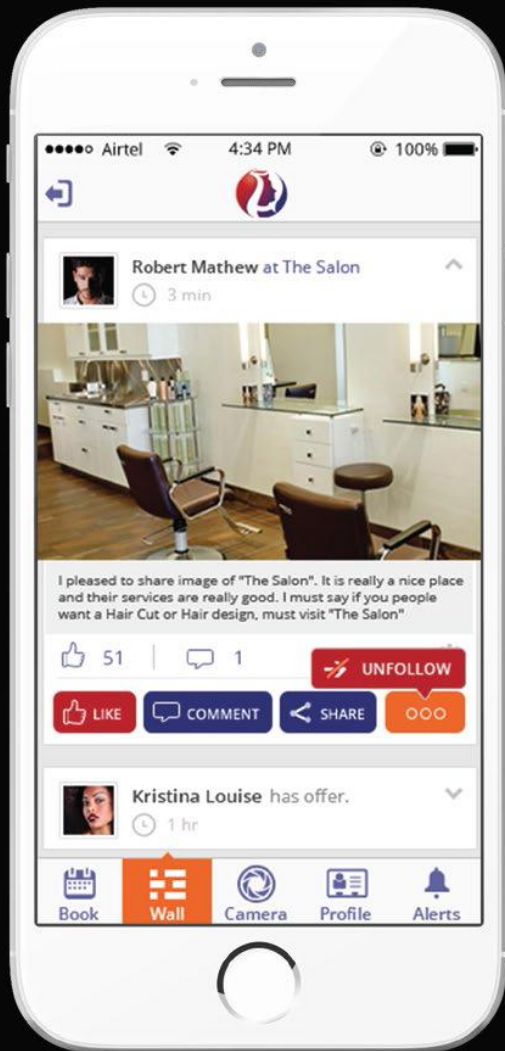

Discounts or gifts offered by organization to its employees are not always utilized since employees are unaware of such discounts and they miss availing them. Work Perk App handles this for you. App Categorizes all such benefits and ensures that you never miss one. Once you are at app you may just click the category and check how much you may save etc.

Headway App

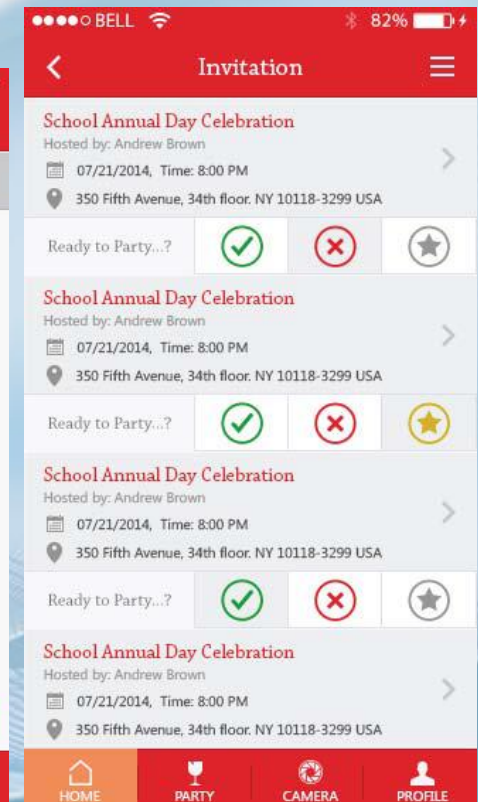

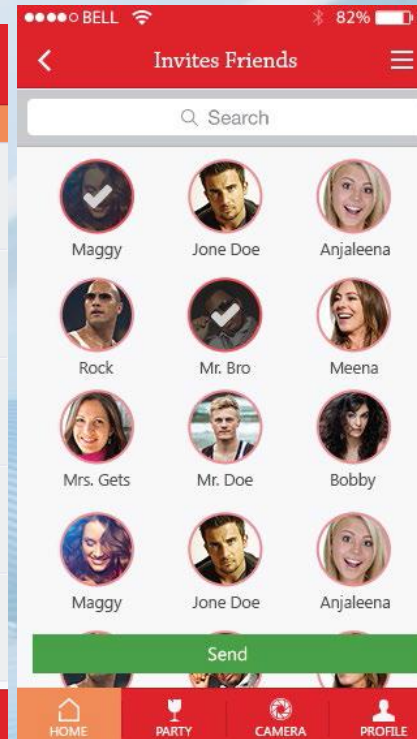

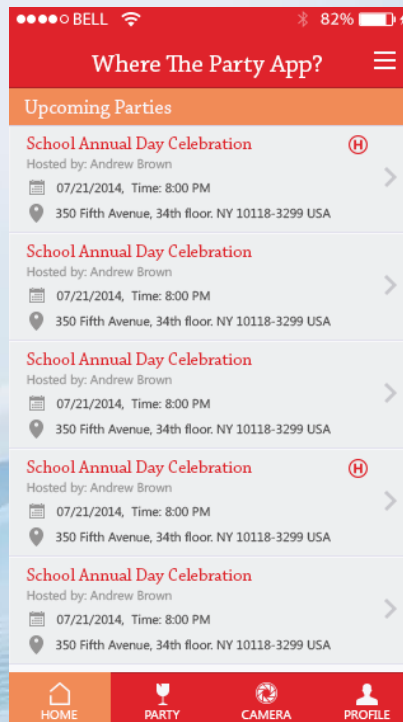

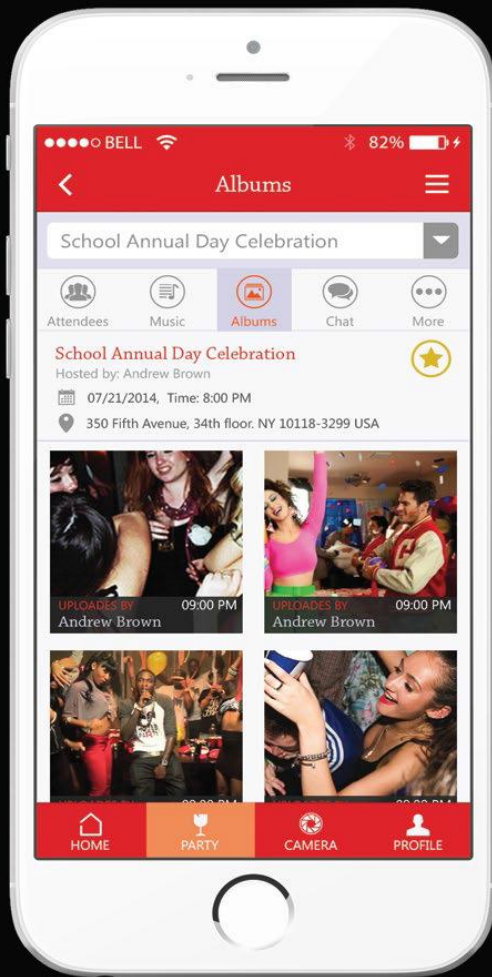

Hair is one of most important part of our personality and a right hair style adds an extra charm to your look and thus defines your personality. But finding right hair stylist for you is really a tiresome job.

This application helps you to find the perfect hair stylist for you who suits to your need and taste. And with the help of this application you can easily fix your appointment with him as per your convenience.

Where The Party App

This fun and easy to use app allows you to do all your planning including building your guest list and sending invitations, making sure everything on the checklist is accounted for, and sharing funds. Where the Party App extends the fun allowing you to build party playlists and share photos with only those people invited to the party.

Musem App

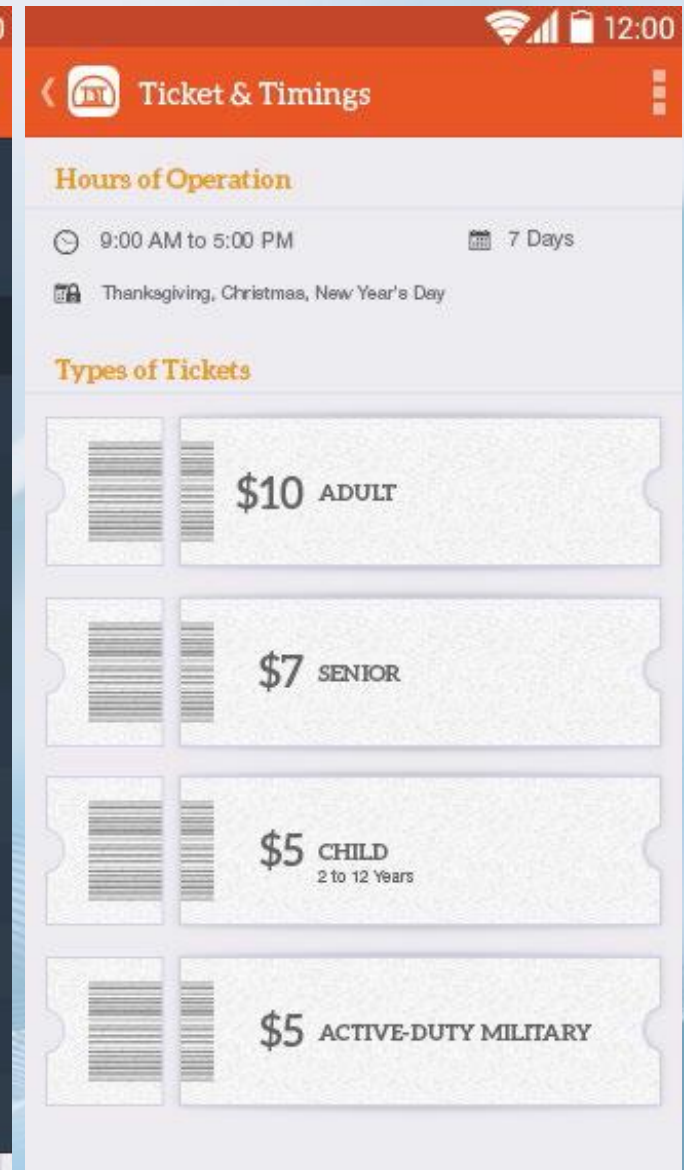

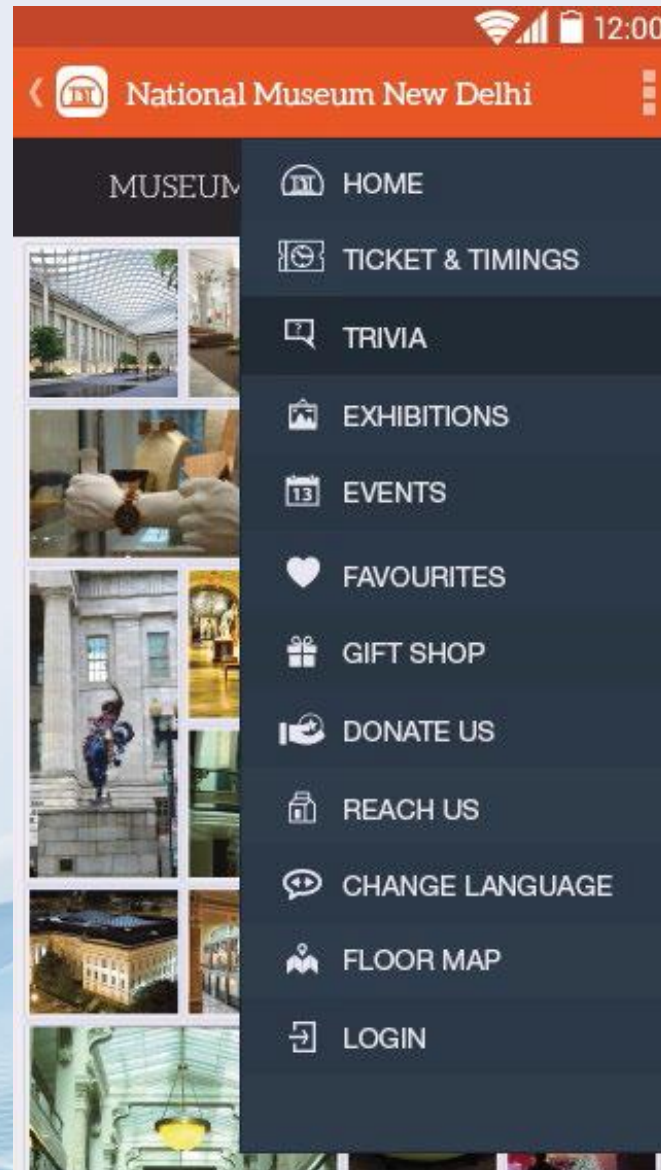

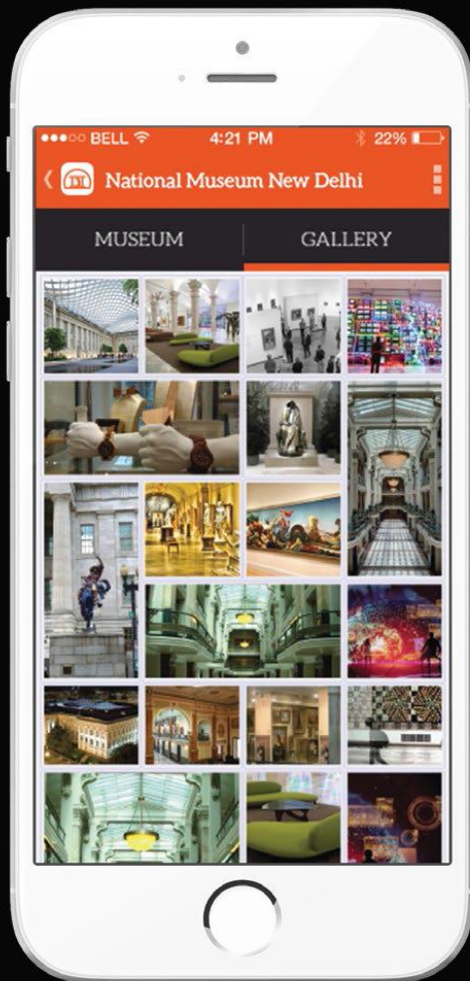

- Works online and offline.
- Showcase gallery artifacts, exhibitions and events,
- Users can mark and share favorites
- Send push notifications
- Ticket info, FAQs, live directions
- Trivia section with scratch off answers
- Floor maps, donations tab,
- FaceBook and Twitter integration
- Multiple languages
