## PORTFOLIO

— S2E - The New Protocol For Maximizing ITEM Sales

## Creators, Collectors and now "Dealers" work together to Show To Earn.

Artists mint Artwork, Avatars, and Metaverse Gaming Items to sell directly on the site. Collectors buy them to create collections of the very best work. Influencers, Dealers and Gallery Owners curate items into Show to Earn shows with a simple tag to earn commissions by promoting the shows to their followers, fans, and in Retail Galleries.

[Learn More](#)

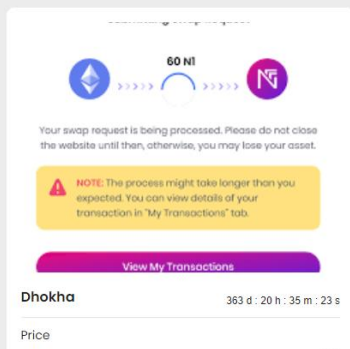

## SHOW TO EARN

**HOW IT WORKS:** You can create Art Shows, Exhibits, and Stylized Virtual Galleries to earn commissions on any NFTs without buying them. Just set your profile to SHOW2EARN and build shows with Art, Game Items, Collectibles, Virtual Land, Custom Avatars, or whatever you choose. Promote your shows on any major social platform OR display your customized Show To Earn gallery pages directly in your retail locations or in pop up art shows on a single or multiple computer screens or 4K Television Monitors up to 86 inches. You'll earn big commissions on every item sold and we'll help promote all featured shows automatically.

Browse collections from The Weeknd, Richie Hawtin, RAC, and more.

## FEATURED SHOWS

Set your shows to Featured and Show To Earn will promote your shows across the web.
